Who are we?

Founded in 1984, our story began with a small dream: to offer practical and quality solutions for our customers' everyday life.

Over the years, we have grown and evolved, but our family values and commitment to excellence have remained intact.

At our company, we understand the needs of our customers, whether they are small businesses, large restaurant chains or special events. That's why we offer a wide range of disposable products, all designed to make life easier and enhance the user experience.

Values

Sustainability

Committed to the future, our company works to protect the environment and promote responsible development.

Every action we take is aimed at reducing our environmental impact and ensuring a sustainable legacy.

Quality

Quality is our cover letter, because we believe that every product must exceed our customers' expectations. Therefore, we strive to offer the best in every detail, because excellence is the standard we work with every day.

Innovation

To initiate change is to innovate; for us, to innovate is to evolve.

Innovation is the engine that drives us to reinvent solutions and stay at the forefront of the industry.

Sustainability and Quality

The biodegradable and recyclable nature of cardboard represents Soluciones Raber commitment to the sustainability of the planet, encouraging a movement of responsible consumption, reducing the environmental footprint and promoting a green future for generations to come.

Our exclusive line of FSC® (FSC-C163002) and PEFC certified cardboard plates.

➔ Manufactured in different qualities and weights, it is designed to transform each presentation into an expression of elegance and environmental awareness.

➔ Manufactured with the finest materials, they offer exceptional strength and durability, ensuring that their use is a seamless experience.
